Manhattan Dawn and Dusk Jon Ortner

Renowned photographer Jon Ortner spent ten years documenting New York City in its best light, those moments before sunrise and at sunset when the city emanates a radiant beauty. In this lavishly produced volume, a Stewart, Tabori & Chang classic, he presents 200 full-color photographs of the city's neighborhoods and landmarks, including breathtaking views of its skyline, from the George Washington Bridge and the Statue of Liberty to Rockefeller Center and the Chrysler Building. Perhaps most moving of all are the portraits of the World Trade Towers, a tragic loss to the city preserved here in the muted colors of twilight. Captions reveal little-known facts about Manhattan and two glorious foldout images present panoramic views.
