The Seventeen Solutions: Bold Ideas for Our American Future Ralph Nader

Consumer advocate, activist, humanitarian, and former presidential candidate Ralph Nader is arguably the most provocative and important progressive voice in America today—a fearless reformer whom *The Atlantic* named one of the 100 most influential figures in American history. In these troubling times of intractable fiscal and social distress, Nader offers a new program to help rescue America: *The Seventeen Solutions*. His powerful, paradigm-shifting proposals address some of the most pressing concerns in our country today—from corporate crime to tax reform to health care and housing—and they should find a receptive audience not only among liberals, progressives, disillusioned Democrats, Rachel Maddow fans, and Occupy Wall Street supporters, but all concerned Americans.
