This is a reprint of Kersey Graves' 1875 classic about the sixteen messiahs who are known to history before Christ. Graves was ahead of his time, integrating the links between nature and religion to develop a unique understanding of spiritual thought. Among his unusual discoveries are a link between astrology and Christianity, including the true meaning of December 25, The Birthday of the Gods. The forty-five fascinating chapters include: \* The Holy Ghost is of Oriental Origin \* 346 Striking Analogies Between Christ and Krishna \* Virgin Mothers and Virgin-Born Gods \* Prophecies by a Serpent \* Christ as a Spiritual Medium The introduction and full text of the original book are included; new material -- maps, illustrations and commentary -- has been added by Adventures Unlimited editors.
