This updated version contains all the readings on the Advanced Placement® Latin Examination, and are comprised of additional selections from Books One, Four, Six, Ten, Twelve as well as Book Two in its entirety.

The Latin text includes macrons and is set in a highly legible font. Facing notes include

Accompanying the notes are discussion questions on theme, structure, figurative language, metrical effects, and other topics with which intermediate and advanced students are expected to be familiar.

The introduction provides an overview of Vergil's life and works, a discussion of his style and meter, a detailed explanation of scansion, and a glossary of figures of speech and other poetic and rhetorical devices (in particular those found on the AP® syllabus), with references to examples found in the text. Also included are introductions to the individual books, numerous illustrations, maps, an end vocabulary, and grammatical appendices.
