Charese Shaw is a good girl turned hood from the mean streets of Anderson, South Carolina, also known, as Los Anderson. Seeking love, security, and stability, she hops from man to man, creating more drama along the way. Charese's hood mentality has her hooked on nothing but rich thugs and their money, but she quickly learns that living that lifestyle will only lead to self-destruction. Just when she thought things couldn't get any worse, Bryce comes in and sweeps her off her feet, shining a little light into her dark world. That is, until he ups and disappears, leaving her high and dry to fend for herself.

Bryce Westland is a small time dope boy who likes to keep a low profile. He'd been in love with Charese since the eleventh grade, so when he saw an opportunity to be a part of her world, he seized the moment. Unbeknownst to Bryce, Charese comes with a lot of drama. From beefing with other men, to murder, robberies, and even kidnappings, Bryce soon realizes that he bit off more than he could chew by getting involved with Charese.

Will the two be able to beat the odds and stay together or will Los Anderson tear them apart??
