Love. Beauty. Success. Lucky has everything her name implies. And as the force behind a high-profile casino and hotel complex, The Keys in Vegas, Lucky has exactly what billionaire businessman Armand Jordan is determined to take from her-and he's not afraid to play dirty. Born a prince in a small but affluent Middle Eastern country, Armand came to America at an early age and grew up to become a real estate titan. Convinced that no woman would have the courage to stand up to him in business, he is shocked to learn that Lucky would dare to turn down his offer to buy The Keys. And so the battle for power begins... Meantime, Lucky's club-owner son Bobby is dealing with shady Russian investors. Max, her teenage daughter, is busy embarking on an affair with a sexy young movie star-and doing everything she can to keep it a secret from her mother. It's business as usual for the Santangelo clan... But this time, it just might take more than Lady Luck for them all to come out on top.
