Blackbird Singing in the Dead of Night: What to do When God Won't Answer (Updated Edition with Study Guide) Gregory L. Hunt

Pastor Greg Hunt had devoted nearly thirty years to congregational ministry, helping people experience God and find their way in life. Then came his own crisis of faith and calling. Neither his education nor his religious involvements could prepare him for the disorienting impact of the experience. Alarmed, he tries an experiment. The result is startling—and changes his life entirely.

In this most beautiful memoir (with a special section that is a study guide and workbook for those wishing to teach and or work through their own life points of stress or crisis), Greg Hunt invites us into an unsettling time in his life, exposes the fault lines of his faith, and describes the path he walked into and out of the dark. Thanks to the trail markers he leaves along the way, he makes it easier for us to find our way, too.
