Campervan Kama Sutra  
Outback Australia, with a camper trailer, three kids and a dog.\*

This true story tells of one family's hilarious journey through Australia's rugged outback countryside.

Our intrepid adventurers work their way through numerous mishaps, including, but not limited to, an ill-advised river crossing, an inappropriately packed roof rack and some truly horrible singing.

During their journey they stumble across a motley assortment of characters such as a confused check-in clerk, a grey nomad with an eye for detail regarding torches, and several Crazy Germans.

While reading Campervan Kama Sutra, you'll not only fall in love with Australia's vast, ever-changing countryside, but you'll also delight in the tragicomedy that arrives with unerring regularity. You'll laugh until something hurts.

\*P.S. There was no dog.
