Discover the Perfect Education Choice for Your Special-Needs Child

More and more parents are realizing that homeschooling is a great option for children with ADD, ADHD, and other special needs, Homeschooling parents can tailor the learning experience to precisely fit their child's requirements, a critical necessity in the development of special-needs children. So, how can *you* provide the most effective education for your child at home?

This timely book shines a spotlight on the challenges and joys of homeschooling special-needs children—children with challenges ranging from autism and ADD to other learning disabilities or children who simply march to the beat of a different drummer. Inside, you'll discover how to:

- Create a flexible learning pace
- Assist your child to develop individual strengths
- Tailor a homeschooling experience for special-needs children of all ages
- Develop strong family bonds with a challenging child
- Get help from both public and private sources
- And much more!

"A wonderful book laced with insights and strength of spirit."

—**John Taylor Gatto**, author of *Dumbing Us Down* and *The Underground History of American Education*

"Lenore C. Hayes holds the reader's hand through determining whether symptoms actually constitute a disorder or are simply a normal childhood trait, right on through negotiating with medical and educational bureaucracies (this advice alone may be worth the price of the book!). A valuable addition to the homeschooling bookshelf, highly recommended for anyone homeschooling a child with special needs."

—**Helen Hegener**, senior editor, *Home Education Magazine*

"I highly recommend Lenore Hayes' book to any parents considering the homeschooling option."

—**Thom Hartmann**, author, *ADD: A different Perception*
