Published for the first time with an index and Cardinal Hans Urs von Balthasar's afterword, this new English publication of *Meditations on the Tarot* is the landmark edition of one of the most important works of esoteric Christianity. Written anonymously and published posthumously, as was the author's wish, the intention of this work is for the reader to find a relationship with the author in the spiritual dimensions of existence. The author wanted not to be thought of as a personality who lived from 1900 to 1973, but as a friend who is communicating with us from beyond the boundaries of ordinary life.
