Mouse Magic

Ellen Stoll Walsh

Mouse Magic Ellen Stoll Walsh

There's a Wizard who knows how to make colors jiggle and shake. It's magic, he says, just for wizards. But Kit, the mouse, realizes that there's more to color than meets the eye. He also discovers that the magic belongs to the colors, not to the Wizard. So step back, Wizard--it's time for mouse magic! Ellen Stoll Walsh, the creator of *Mouse Paint*, has shown millions of children how red and yellow create orange. She now reveals that complementary colors--like red and green--can't help dancing when they're put side by side. •From the creator of *Mouse Paint* and *Mouse Count*, with more than 550,000 copies sold •Includes a color wheel and simple explanation of color types
