The Forgotten Kingdom (The Forgotten Dwarves Book 2) J.M. Fosberg

The ancient kingdom of the first dwarves has been lost for so long that many dwarves believe that its existence is a myth. But when the fate of the dwarven race is at stake, the dwarf king Grizzle Stoneheart will take what little knowledge has been passed down through the centuries from king to king, and go in search of the Forgotten Kingdom.

The path to the kingdom of his ancestors is a treacherous one, for it lies within the sacred land of the desert tribes. He will need the help of each of his five companions to survive the desert and deal with whatever unknown forces the desert tribes bring upon them.
